

THE ONLY ONES – ANOTHER GIRL ANOTHER PLANET

I always flirt with death
I look ill but I don't care about it
I can face your threats
and stand up straight and tall and shout about it

I think I'm on another world with you,
with you
I'm on another planet with you,
with you

you get under my skin
I don't find it irritating
you always play to win
but I won't need rehabilitating, oh no

I think I'm on another world with you,
with you
I'm on another planet with you,
with you

another girl, another planet
another girl, another planet

(break / guitar solo)

space travel's in my blood
there ain't nothing I can do about it
long journeys wear me out but
I know I can't live without it, oh no

THE ONLY ONES – ANOTHER GIRL ANOTHER PLANET

I think I'm on another world with you,
with you
I'm on another planet with you,
with you

another girl is loving you now
another planet is holding you down...
another planet.
