

SCOUTING FOR GILRS – THIS AINT A LOVE SONG

**Every night I remember that evening
The way you looked when you said you were leaving
The way you cried as you turned to walk away
The cruel words and the false accusations
The mean looks and the same old frustrations
I never thought that we'd throw it all away
But we threw it all away.**

**And I'm a little bit lost without you
And I'm a bloody big mess inside
And I'm a little bit lost without you
This ain't a love song this is goodbye (ooh)
This ain't a love song this is goodbye (ooh)**

**I've been lost, I've been out, I've been losing
I've been tired, I'm all hurt and confusion
I've been mad, I'm the kind of man that I'm not
I'm going down, I'll be coming back fighting
I may be scared and a little bit frightened
But I'll be back, I'll be coming back to life
I'll be coming back to life**

**And I'm a little bit lost without you
And I'm a bloody big mess inside
And I'm a little bit lost without you
This ain't a love song this is goodbye (ooh)
This ain't a love song this is goodbye (ooh)**
