

FOUNTAINS OF WAYNE – I WANT AN ALIEN FOR CHRISTMAS

**This year for Christmas
There's something I'd really like
So if you're up there somewhere Santa
Please don't bring me another bike**

**I don't need any ugly sweaters
And I don't play much basketball
But there's something kinda special
That I want most of all...**

**I want an alien for Christmas
Bring me an alien this year
I want a little green guy
About three feet high
With seventeen eyes**

**Who knows how to fly
I want an alien for Christmas this year**

**He can live in the bath tub
So don't worry about a thing
And I'll take him out for walks
When it gets nicer in the Spring**

**I'll always keep him company
He'll never be alone
And we can hang around the house all day
And watch the Twilight Zone**
